Are you in the know?

Will you score with your stadium squire, if you're

- ☐ *Cheer-happy*
- ☐ *Sweet and silent*
- ☐ *A quiz kid*

Gals should know football — squires complete. Block that "kick" — by boning up, beforehand. Then get with the game! Have fun! Better to cheer your head off than be sweetly mute or a question-box. And don't let calendar interference faze you. Just depend on Kotex: it's made to *stay soft while you wear it.* And teamed with a Kotex Sanitary Belt (all-elastic — adjustable — blind-proof!) Kotex keeps you in blissful comfort, from kickoff to final whistle!

What's this paper doll trying to do?

- ☐ *Get into print*
- ☐ *Scoop the news*
- ☐ *A slight-of-hand trick*

Are outsize paws your problem? They'll seem smaller if you make them less conspicuous. With one hand, practice crumpling a sheet of newspaper into a ball. That's a trick to limber hands, lend them grace . . . (a confidence builder!). At "throw" times, too, you can gain self-assurance . . . with Kotex, and that exclusive *safety* center. And because Kotex comes in 3 sizes, you can choose the napkin suited to you.

What this lonesome lass lacks is—

- ☐ *Goldilocks*
- ☐ *Good standing*
- ☐ *Gorgeous gams*

It takes more than honey-hued tresses and trim pegs to make an impression. Avoid that Leaning Tower look. Since it comes from toting textbooks on one favored side — shift the bulkies! Good standing improves your poise. Of course, poise is yours for the asking on difficult days — when you've asked for *Kotex*. Naturally! Because flat pressed ends prevent telltale outlines. Be a smoothie with Kotex!

More women choose KOTEX* than all other sanitary napkins
